

# DON'T OVERSPEND AT THE DENTIST AGAIN!!

## What is the Dental Savers Plan?

Our Dental Savers Plan is a discount plan that saves patients 20-50% or more off average dental treatment fees in our area. The plan pays for itself with just a teeth cleaning appointment or one tooth-colored filling.

## Who is the Dental Savers Plan for?

The plan is for individuals or families who would like to save money on dental care but don't have dental insurance

## How much does it cost to be a member?

Membership is \$98 annually for an individual or \$196 for an entire family (parents and children under 18).

## How much will I save with this plan?

Please see the fees listed to the right. Average savings are from 20% to 50%. For example, a 6-month check-up of exam, x-rays, and cleaning would normally cost \$243, but with Dental Savers Plan it would be \$58. (Amazing!!)
